Mail Stop Art Unit 2177
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Office Action mailed 2004 May 13, please amend the above application as follows:

Title: Change to —Methods for Enhancing Communications of Information Over a Network—

Specification:

Paragraph [66], line 1, change “aka” to —also known as—.

Paragraph [219], line 2, change “any given number of website” to —any given number of websites—.

Paragraph [230], line 2, change “webstite” to —website—.

Claims:

Cancel all claims of record without prejudice or disclaimer for the expressed purpose of expediting the patent process and the issuance of a patent. Substitute new claims 1 to 19 as follows.

1. An intelligent agent for informing network nodes of one or more events associated with a website comprising:
